1.5-hour lesson	\$150

### **PACKAGES:**

Every couple is different. We always ask where a couple falls on my scale from 1 - 10, 1 being "I'm very uncomfortable dancing in public and I want minimal choreography" and 10 being "I want to be the next Youtube sensation." We have worked with couples varying in all levels of ability and after a quick consultation each couple can decide which package best suits their needs!

#### **Package A**

Keep It Sweet and Simple! This package is perfect if you want to learn a few moves but not a choreographed routine. We will focus on slow dancing comfortably, simple twirls and dips. This package is an excellent choice for the couple who just want to feel comfortable and confident on their big day.

2 x 1 hour lessons \$225

#### **Package B**

Need a little extra time? The package is for the couples who want to keep it simple and take their time. The extra half hour allows for additional moves and extra time to practice. Never taken a dance class? Worried about feeling awkward? This package allows you to go at your own pace!

2 x 1.5 hour lessons \$270

#### **Package C**

Let's show off! This package is for the couple who wants their dance to reflect their personality and hard work. We will focus on creating a choreographed routine that is easy to remember and reflects your personalities.

3 x 1 hour lessons \$335

#### **Package D**

Be the next viral hit! This package is for the couple who loves to dance and perfect their routine. Whether you're a beginner or experienced dancer, we will work hard to create your vision, from a waltz to a fun, high energy routine. This package is ideal for couples looking to do a medley of songs.

4 x 1 hour lessons \$450

### **Cancellation Fee**

Planning a wedding can become stressful and unfortunately things do come up. You are able to cancel or reschedule free of charge until 48 hours of your lessons. After that there is a 50% cancellation fee. If you have to cancel on the day, there is a 75% cancellation fee.
